OUR SERVICES @ SCHOOLS

Annual day dance choreography

1. Movie based concept oriented program :

Entire program on one "Title" by expressing various ideas of informative, unique script, stage set up, innovative props and background set up respective to the theme of choreography. Entire program is based on single script runs non-stop from intro to the conclusion part of the program. Program has content of Dance, Drama, Animated, mime & so on.

2. Fairy tale concept oriented program :

Entire program is on the basis of respective tales and comprises of various scenes, backgrounds, dramatic part & rhyming. Prop and background scenes execute the entire play in which the intellectual skills of the students will be performed required to the scenes.

3. Individual Song/music break-up :

We frame different categories of concept which make the mood of celebration in different segments; each song of the event exhibits different concept. Its totally entertainment.

4. Cinematic concept :

Choreography includes songs (Bollywood, Kollywood and so on) & music of mega hit songs without vulgarity in lyrics .It is based on songs & rhythm and also as preferred by schools

Regular Dance Classes

1. Creative Dance: (kindergarten level to junior school) :

It is an introduction for basic musical concepts such as rhythm, tempo, pitch & style. Focusing on fundamental co-ordination such as Hopping, skipping, Marching etc. and Student's imagination is encouraged and strengthened through exploration of basic elements of dance including movement quality, space and body shape.

2. Curriculum based training program under various levels :

- » Physical
- » Intellectual
- » Artistic
- » Social
